HOMEWORK AGREEMENT

2023-2024 School Year

Please complete this with your child and return directly to your Site Leader. Please complete one form per child.

OUR HOMEWORK POLICY:

We ask each family to inform their Site Leader of their preference as it relates to homework. You will be able to fill out a homework form stating if you would like your child to start, complete, or not do their homework at the program during their first week of attendance. You can update this information at any time during the school year. Staff will be provided in each room during homework time to provide as much assistance as possible to each child. Our staff are trained to help make sure children clearly understand the directions and to redirect and focus them as needed, however they are not able to work one on one and provide tutoring service. Our staff will talk with parents or attach notes to homework if a child is having a difficult time or something should be brought to the parent or teacher's attention. Staff will remain in the homework room for a maximum of one hour or until the last student is done (whichever comes first). Children are able to continue completing their homework assignments independently, without staff assistance, after the hour of designated time is over with staff supervision in the program space.
