If you live outside of Rockland County, what is your significant connection to it?

**Please submit your 500-word essay on the separate piece of paper. Choose one of the following topics:**

1. Think of a challenge you have faced outside of athletics in which you participate. How has the experience you've gained through sports helped you solve the problem or cope with a tough situation?
2. Describe an incident when you had to make a choice between sports and doing something else. What choice did you make and why?
3. Write an essay about the sports figure or person from Jewish history you most admire. What qualities distinguish this person? In what ways do you hope to emulate his or her example?

For whichever essay topic you choose, focus on how your discipline has shaped or changed your attitudes, abilities and growth. Use anecdotes and examples and be specific. Most importantly, give us a sense of yourself and be true to who you are.
