Our Homework Policy

We ask each family to inform their Site Leader of their preference as it relates to homework. You will be able to fill out a homework form stating if you would like your child to start, complete, or not do their homework at the program during their first week of attendance. You can update this information at any time during the school year. Staff will be provided in each room during homework time to provide as much assistance as possible to each child. Our staff are trained to help make sure children clearly understand the directions and to redirect and focus them as needed. Our staff will talk with parents or attach notes to homework if a child is having a difficult time or something should be brought to the parent or teacher's attention.

Please note homework room with staff assistance is available for a limited time at the site. Students are allowed to continue working independently during the remained of the program to complete their homework but staff assistance might not be available. We will check students homework for completion and will do a once over for accuracy. We do ask that you still review your child's homework with them as our staff may have over looked something and so you can see what they are working on in school. Any homework assignment that would need one on one assistance such as reading to an adult will not be able to be completed during the after school program. We will work with your child to try and fulfill your request as it pertains to homework and ask that you review with them what is outlined in this agreement. Our staff will not force or argue with a child over homework but they will use this agreement to inform them of your wishes and ask them to help fulfill them. If a child refuses to do their homework as stated above we will notify you at pick up.
